‘It is an environment in which children thrive in a whirlwind of opportunity and excellence’

Blackheath Prep Parent

Introduction

Blackheath Prep is an independent prep school for just over 370 boys and girls aged 3 to 11. Founded in 1996, it occupies a beautiful five-acre site close to Blackheath village. Its original Georgian and Victorian buildings have been extended and adapted to include large playgrounds and extensive playing fields, tennis courts, cricket nets and a Forest School area. In April 2023 we were delighted to announce our merger with Eltham College to form a new family of schools.

Blackheath Prep is a remarkable school with outstanding facilities, a formidable track record in academic success and impressive achievements in Music, Sport, Drama and Art. Children go on to a range of independent and maintained secondary schools, with a large proportion (at least 50% of the cohort over the last five years) being awarded academic scholarships at schools such as Alleyn's, Colfe's, Dulwich College, Eltham College, James Allen's Girls' School, Sevenoaks School and City of London Schools and/or places at top Grammar schools such as Newstead Wood and St Olave's. A large number of children are also awarded scholarships in Art, Drama, Music and Sport.

Blackheath Prep was inspected by the Independent Schools Inspectorate (ISI) in January 2024 and received outstanding feedback about every aspect of the school. You can read the full report [here](#). *"They rightly recognised the richness and diversity of the curriculum, the culture of kindness and respect, the robust and effective leadership of the school, and the high academic standards achieved by pupils."* Guy Sanderson, Headmaster and CEO, Eltham College Family of Schools.

Our [website](#) will also provide you with a flavour of all that we offer at Blackheath Prep, from our rich and broad curriculum and excellent pastoral care, to the superb facilities and beautiful grounds.

Our Vision

To offer an education without boundaries, giving every child the freedom to shine and achieve their full potential, upholding academic excellence, sparking curiosity and a joyful love of learning, nurturing kindness and wellbeing, and creating a strong sense of community.

Our Mission

We are committed to giving every child the opportunity to achieve their full potential and the courage to strive for excellence in all their endeavours. Through innovative and inspiring teaching and a rich and varied curriculum, we aim to spark children's natural curiosity and sense of fun and adventure and to nurture a joyful love of learning.

Community is at the very heart of our school, and kindness, appreciation, collaboration and contribution are values that we work hard to put into practice each day. We encourage every child to make the most of their time here so when they complete their journey with us they are ready for the next stage of their education and have the foundation for a successful, happy and fulfilled life.
