

CHANNING

Candidate Information Pack
Teacher of History
Part-time 0.8 - from January (or April) 2027

Welcome from the Head

Thank you for your interest in working at Channing. At Channing, we foster fearless learners through inspiring education, exceptional co-curricular opportunities and meaningful partnerships, creating bespoke outcomes for every child: "Each of us is intended to have a character all our own, to be what no other can exactly be and do what no other can exactly do." (*William Ellery Channing*)

Our Unitarian ethos encourages our pupils to be intellectually curious, open-minded and respectful. We build on the power of an all-girls education to develop kind, confident, articulate young women who are ready for life's challenges.

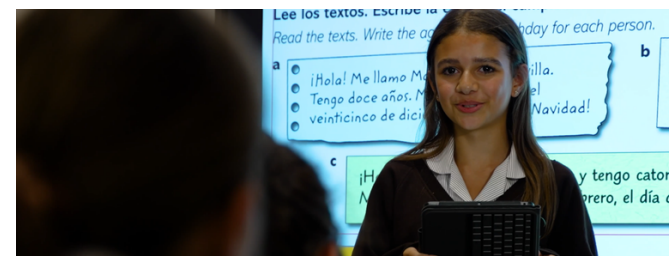

Girls at Channing enjoy academic success from a tailored educational programme that encourages confidence, independent thinking and provides girls with life skills to take on the next stage of their education as thoughtful, responsive, socially aware adults, prepared for the challenges of the world today.

This emphasis on bespoke outcomes is at the heart of our five strategic objectives, which you can find here: [Channing 2035](#).

Founded in 1885 by Unitarian sisters Emily and Matilda Sharpe and the Reverend Robert Spears, Channing School, named after notable American Unitarian William Ellery Channing, is well known as a successful, happy community. Remaining true to our Unitarian foundation, the School is an inclusive community that values the individual skills, spiritual beliefs, achievements and contribution of all members of the school community. Our success was endorsed by [our latest ISI inspection in November 2025](#).

Mrs Lindsey Hughes

Headmistress

About the School

Here at Channing we have lots of the headlines which parents like to see: fabulous A level results and wonderful GCSE results, students heading to Oxbridge, medical school and the most competitive courses at Russell Group universities every year, sometimes after taking a gap year first. However, we believe that examination success is not solely the end goal of a pupil's journey through school, rather that it should be an enriching academic and extra-curricular experience that allows girls to develop skills, confidence, creativity and character; instilling in pupils a lifelong love of learning and a firm belief that anything is possible. Experienced, dedicated teachers offer a supportive, encouraging and challenging learning environment that allows pupils to achieve success beyond that which they might have thought possible.

The Headmistress and members of staff know every girl personally and as an individual. We have a strong family tradition and an enthusiastic and supportive parents' association. The atmosphere is calm, focussed and purposeful. We set high standards emphasising concern and respect for the needs of others. A major feature of the school is the huge diversity of the extra curricular activities on offer to pupils and it is expected that all staff will contribute to this side of the life of the school.

The school is in an attractive part of Highgate, with convenient transport links by road and underground. Visitors are often surprised at how light, green and open our site is. We have preserved the character of the older buildings, but completely refurbished and redesigned them to provide bright and spacious teaching rooms. An ambitious building programme, completed in 2017, provided us with excellent dining facilities, a Music Department, a new Sixth Form Centre, Sports Hall with fitness suite and a state-of-the-art Performing Arts Centre. We are currently developing a STEM building complete with DT facilities which is due for completion in Autumn 2026.

Teaching & Learning

Channing is a collaborative learning community. We provide an excellent and relevant T&L CPD programme that inspires all staff and pupils to achieve their full potential. We support the ongoing development of outstanding teaching and learning which stimulates and challenges all pupils.

Our current whole-school Teaching and Learning focus is to develop a culture of ambitious and inspirational teaching, alongside a shared understanding of every pupil and how best to support them. Central to this is our use of the Learning Pit, which recognises that deep learning involves challenge and productive struggle, and that pupils make the greatest progress when they are supported to persevere through difficulty.

To promote consistently excellent teaching across the school, we have developed the Principles of Great Teaching at Channing and the accompanying Trusted Techniques. Together, these provide a shared understanding of what high-quality teaching looks like in practice, using a common professional language. They reflect both educational research and our collective expertise, and emphasise teaching that stretches pupils intellectually and supports them to move from challenge to secure understanding.

In recent years we have had a focus on developing Fearless Learners. We believe that it is possible to teach pupils to become more confident, proactive, independent learners in such a way that they become more courageous, fearless learners. To this end we have worked with both teachers and pupils to develop a range of resources that support us all to become more fearless in our learning. These include:

- An Infographic generated from discussions with all teachers ~ What do Fearless Teachers look like at Channing?

- A student-friendly Infographic based on what our student body thinks Fearless Learners look like at Channing

‘Spotlight’ is Channing Senior School’s Teaching & Learning publication. It supports the professional development of our teaching staff. It is distributed twice monthly and focuses on the development of classroom practice and current educational research. All teaching staff are encouraged to contribute, and it reflects our commitment to being a collaborative, learning community. The most recent Spotlights can be found on our website.

T&L Briefings are held every other Monday. These are an opportunity for teaching staff to come together to discuss educational research and how it might impact on their pedagogy. Recent themes have included: Protecting Thinking in the Learning Pit, Questioning that Deepens Learning, AI & Tech: Pedagogy First, Integrity, Intelligence, Creativity, and Safety and Strong Starts to Lessons Protect the Flow.

The TLC is our Teaching & Learning Community. It is open to all teaching staff. We meet about once a month. It leads on a number of initiatives which support the development of T&L across the school. These include a Journal Club, systems for teachers to share learning with each other, peer observation and the curation The Teaching and Learning Knowledge Interactive Toolkit.

The Department

The History Department at Channing

The History Department enjoys a leading profile, has high academic standards and is very motivated. A number of our pupils each year move on to read History at leading universities and are offered places at Oxford and Cambridge. The History Department currently comprises five history teachers, and this vacancy arises from the internal promotion of one of the team to Head of Department. All staff work closely together in an atmosphere of mutual support and teamwork. The department prides itself on being rigorous and pedagogically strong. Dynamic, engaging and intellectually rigorous lessons are standard.

In Years 7-9, students follow a syllabus that flirts with the national curriculum but engages in more wide ranging enquiries adapted to suit the high ability of pupils at Channing and provide a more global historical awareness. There are a variety of visits on offer both in the UK and abroad. For example, Year 9 pupils attend an annual trip to the World War One and Two battlefields of France and Belgium. GCSE students visit Berlin and we run trips to Eastern Europe, Auschwitz and follow the life of Dr King through the American South.

History is a very popular option at GCSE and the girls achieve highly. In 2025, 89.6% scored 9–7, with 72.7% achieving 9/8. We currently teach the Edexcel IGCSE History specification, covering Germany, International Relations post WW2, Vietnam and Medicine. We have two classes studying History at A Level in Year 13 and two in Year 12. We follow the AQA specification with students undertaking the 'Tudors: 1485-1603,' 'The Transformation of China 1936-1997' and coursework focused on the campaign for Black civil rights in the USA. Students are encouraged to attend one of two History related clubs at which students, staff and guest speakers present on topics. We publish a yearly History Journal featuring student's original contributions. We host an annual History Conference.

Job Description & Person Specification

All staff are responsible, in every aspect of their work, for implementing and promoting the school's core values of courtesy, care and consideration for everyone in our community. Equally, we all have a responsibility to make sure that each girl is challenged and extended, so that her education is a fulfilling and a satisfying experience for her.

Subject teachers are responsible for:

- Lesson preparation, assessment, record keeping and the setting of and giving feedback on appropriate homework, in line with departmental policy and schemes of work
- Teaching lessons which engage and inspire all learners and are sensitive to and adapted for the needs of all pupils, in line with Channing's Principles of Great Teaching
- Adopting and supporting appropriate safeguarding and health and safety procedures
- Expecting and maintaining a high standard of work, punctuality, good discipline and order and general courtesy from girls at all times and leading by example
- Alerting the Head of Department, Form Tutor and Head of Year as appropriate if there is cause for concern about a girl's behaviour or academic progress
- Assisting as requested by the Head of Department in the preparation and marking of internal examinations, and in the preparation of students for public examinations, as appropriate
- Contributing to the department's programme of self-evaluation and its drive towards improvement by taking a full part in INSET opportunities of all kinds
- Keeping clear records of girls' attendance in lessons
- Setting appropriate work for classes during absence, where possible
- Completing any reports/grade-sheets/reference requests punctually, both external and internal
- Attending INSET, departmental and staff meetings, parents' consultation meetings and any other similar meetings requested by the Head
- Leading at least one co-curricular activity within or beyond the department
- Taking a full part in the department's programme of trips and visits, organising them and/or accompanying the group if the Head of Department so requires
- Treating school equipment and resources with care and reporting any problems immediately to the Head of Department/support staff/Bursar, as appropriate
- Covering lessons for absent colleagues
- All full time and part-time teaching staff are expected to be a Form Tutor or Co-Tutor, with the commensurate responsibilities for pastoral care, form times and teaching of PSHE
- Undertaking such other duties as the Head may reasonably request
