Good Schools Guide

Introduction

Eltham College

The Eltham College family of Schools comprises Eltham College Senior School, Eltham College Junior School and, since September 2023, Blackheath Prep.

Founded in 1842, Eltham College is a thriving, co-educational day school located in south-east London. Originally a boys' school that first accepted girls into its Sixth Form in the late 1970s, Eltham College is now fully co-educational and has nearly 1,100 students in total, including 240 pupils in the on-site Junior School. Eltham College occupies a green 70-acre site in the London Borough of Bromley and was named London Independent School of the Year 2024 by The Sunday Times.

Whilst holding strongly to its ethos of providing a balanced education for its students, the School places a deliberate emphasis on academic success and the School is now regularly found amongst the leading academic schools in the country in terms of results and value added, matching the performance of its main competitors such as Dulwich College, Alleyn's, Trinity School and Sevenoaks School. It also boasts many county and national players in a range of sports, as well as exceptionally talented musicians, actors, authors, scientists, economists, and artists.

Eltham College has a distinctive character, born out of its Christian heritage. It upholds its founding Christian principles, whilst welcoming students of all faiths and none. The School has its own chapel and all students and staff from Year 6 upwards are expected to attend a weekly service led by the Chaplain, a member of the senior staff, or by students. Alongside its emphasis on academic achievement, the School continues to focus on care for each and every pupil. Strong pastoral care, an energetic House system that promotes collegiality, and a relaxed and unpretentious atmosphere make Eltham College a happy and vibrant place for students and staff alike. Students also benefit from an impressively wide range of opportunities outside the classroom through an ambitious co-curricular programme across sport, music, drama and art, and community outreach and enrichment.

Eltham College enjoys superb facilities. In 2019, the Turberville Centre for Mathematics, Languages and Music departments was opened, along with a new Sixth Form Centre and a dedicated medical and wellbeing facility. Extensive and well-maintained sports facilities extend across the 70-acre site, including Astro and hard-court venues, and a large indoor sports centre and swimming pool. There is a drama theatre and a modern art gallery. The Science and Technology Centre has recently been extended, adding four new state-of-the-art laboratories and a science prep room.

The 2022 ISI Regulatory Compliance & Educational Quality Inspection rated Eltham as 'Excellent' in all areas and the full Report can be read [here](#).

Eltham College Junior School

Eltham College Junior School shares the Senior School's 70-acre site, with an entrance just three minutes' walk along the path from the College itself. It has a second entrance from Mottingham Lane. Fully co-educational, the Junior School is home currently to some 240 girls and boys from Year 3 to Year 6. Whilst very much part of the Eltham College community, the school has its own Head and its own identity.

Eltham College is an all-through school and Junior School students are not required to sit a separate entrance exam for the Senior School. Academic standards and co-curricular provision are exceptional, and great emphasis is placed on pastoral care. Students at the Junior School benefit from use of many Senior School facilities, including the dining hall and the extensive indoor and outdoor sports facilities.

'Tip top facilities, positive relationships, inspiring teachers and exciting extracurricular opportunities. The easy transfer to the college is surely the icing on the cake.' **Good Schools Guide 2024**

Blackheath Prep

In April 2023, Eltham College was delighted to announce a merger with Blackheath Prep to form a family of schools. Blackheath Prep is an independent prep school for just over 370 boys and girls aged 3 to 11. Founded in 1996, it occupies a beautiful five-acre site close to Blackheath village. Its original Georgian and Victorian buildings have been extended and adapted to include large playgrounds and extensive playing fields, tennis courts, cricket nets and a Forest School area.

With outstanding facilities, a formidable track record in academic success and impressive achievements in Music, Sport, Drama and Art, Blackheath Prep's vision is to offer an education without boundaries: to give every child the freedom to shine and achieve their full potential, to uphold academic excellence, sparking curiosity and a joyful love of learning, and to nurture kindness and wellbeing, creating a strong sense of community. Children go on to a range of independent and maintained secondary schools and, as part of the Eltham College family, benefit from a priority application process to Eltham College Senior School. A large proportion (at least 50% of the cohort over the last five years) are awarded academic scholarships at prestigious local independent schools or places at top grammar schools. A large number are also awarded scholarships in Art, Drama, Music and Sport.

Our Mission and Values

Eltham College's mission is to provide an outstanding and well-rounded education for girls and boys, built on Christian principles, as a thriving and leading institution among London day schools. This mission is supported by seven interdependent aims which shape the overall culture and direction of the school:

Working for Eltham College

The Senior Team

The Family of Schools is led by Guy Sanderson, CEO of the Eltham College Family of Schools and Headmaster of Eltham College Senior School.

The senior Executive team is chaired by Guy Sanderson and also includes the following members: James Martin (Senior Deputy Head, Eltham College Senior School), Vikki Lloyd (Head, Blackheath Prep), the Head, Eltham College Junior School, Rachel Thompson, Robin Wilkinson (Bursar) and Caroline Ward Vine (Director of Marketing and Communications).

Staff and Professional Development

The three schools employ around 240 members of teaching staff (including teaching support roles) and approximately 110 support staff. All are highly committed to helping students achieve their full potential and form a lively Common Room with a good balance of age and experience.

Professional Development

There is a strong professional development programme which is encouraged and generously financed for teaching and non-teaching staff. This includes external courses, an internal CPD programme of lunchtime and twilight sessions, speakers being brought in to deliver in-school sessions and learning from peers and colleagues. The Headmaster is personally committed to staff development and spearheads the Devolved Leadership Programme, which is open to all academic and support staff. This enables ambitious and talented staff who are seeking either senior leadership experience or career development to undertake a whole-school project, with mentoring from a current senior leader.

Pay and Benefits

Eltham College offers very competitive salaries and a good range of non-pay benefits.

All staff are automatically enrolled in a defined-contribution pension scheme (subject to the terms of the scheme). All staff under the age of 70 are entitled to death in service benefit at three times their annual salary.

Lunch is provided free of charge during term time for all staff, in addition to free refreshments available in the Common Room.

All staff also have free membership of the Eric Liddell Sports Centre, giving family access to the swimming pool, fitness room and other facilities at designated times.

There are also electric vehicle and cycle to work schemes, interest free season ticket loans, free eye tests and flu vaccinations. An Employee Assistance Programme is also available for all staff, offering free, confidential, support on a range matters such as financial and legal support and counselling for home-life issues.

Children of staff can be educated at the School if they meet the entrance standards and, at the discretion of the Headmaster, may receive a tuition fee reduction for both Junior and Senior Schools.

Holiday pay, offered at a minimum of 25 days plus bank holidays for full time new joiners (pro-rated for part time staff), increasing with longer service.

Excellent Transport Links

Rail services to central London and Gravesend/Dartford from Mottingham station (10 minutes' walk) and to central London and Sevenoaks/Bromley/Orpington from Grove Park station (25 minutes' walk). The area is served by a number of bus routes. Limited free parking is available on site. Free parking also available locally.

The Role and Person Specification

Job Description

Job Title:	Technical Manager
Hours of Work:	Full time. Shifts will include weekend and evening work
Reports to:	Director of Drama

Principal Role

The Technical Manager is responsible for all technical support to the Drama Department and the wider school. This is primarily in relation to performances and events taking place within the Anthony Barnard Theatre (ABT), King George Hall (KGH), Central Hall and Chapel but may also include support at other events hosted by the school, or at external venues, where set construction, lighting and sound support are required. Whilst some evening, weekend, and school holiday work is expected, the Drama team are keen to enable the successful candidate to pursue freelance work if desired, as agreed in advance by Director of Drama.

Main Duties

Technical Leadership & Delivery

- Lead all technical planning, setup, risk assessments, operation, and de-rig for core events in the ABT, and support technical needs in Senior and Junior Schools, Blackheath Prep, as well as commercial hires.
- Oversee and direct the operation of lighting rigs and consoles, sound systems and live mixing, video/projection systems, and stage operations.
- Act as the primary technical authority, advising on technical solutions for staff, students, and external hirers.
- Take full ownership of technical delivery across all productions and events.

Team Management

- Supervise, develop and line manage the Theatre Technician.
- To lead the Tech Crew Club, giving pupils the opportunity to learn and practice the principles of lighting, sound and set building.
- To assist in the teaching of technical aspects of Drama to GCSE and A Level students.
- To set up and operate lighting and sound equipment required within Drama lessons.

Maintenance & Venue Standards

- Take overall responsibility for all technical equipment, ensuring it is tested, safe, functional, well-documented, and fit for purpose.
- Manage backstage, workshop, costume store, and storage areas to ensure they remain safe, tidy, and compliant with health and safety standards.
- Run the maintenance schedule, manage stock control, and fault reporting and resolution.

Collaboration & Other Duties

- Lead the department's compliance with Health & Safety Policies and industry standards.
- Support, promote, and act within the school's data protection, safeguarding, and inclusion policies.
- Work closely with freelancers to support their work on Co-Curricular productions.
- To carry out any other reasonable requests, in line with the broad responsibilities of the role.

Person Specification

The successful candidate is likely to have a relevant qualification in technical theatre, live events, production arts, or equivalent professional experience. Good knowledge of current health and safety regulations with regard to a theatre environment and experience of implementing these (including writing appropriate risk assessments) is essential.

Experience:

- A relevant qualification in technical theatre, live events, production arts, or equivalent professional experience.
- Experience (typically 3+ years) working in a multi-arts venue, producing theatre, or an educational environment.
- Demonstrable expertise operating and maintaining lighting, sound, and AV systems in live performance settings.
- Experience programming and operating Berhinger, QLab, GrandMA 2, Wireless Microphones and stage effects (Pyro) alongside full ownership of fit-ups, plotting, rehearsals, and show operations.
- Track record of managing planned maintenance routines and safe working systems in a technical theatre context.

Attributes:

- Calm, authoritative, and composed under pressure, particularly during busy production periods.
- Proactive and strategic, with a strong ability to anticipate challenges and implement lasting solutions.
- Strong organisational and strategic planning skills, with the ability to manage competing priorities and delegate effectively.
- Committed to upholding the highest standards of safety, professionalism, and venue care.
- Passionate about mentoring and developing junior team members and students.
- Flexible, adaptable, and willing to collaborate across the full event schedule.
- Commitment to the school's values and ethos, including safeguarding, inclusion, and sustainability.
- Willingness to work occasional evenings, weekends, and flexible hours as required.

The successful candidate must also have a confident and clear understanding of the following:

- Theatrical lighting design
- Rigging
- Theatrical power and power equipment
- DMX and its uses
- Programming and operation of a grand MA2 lighting desk
- Moving lights
- Digital and analogue sound desks
- Set up and use of sound equipment
- Pyrotechnics
- Maintenance of moving lights, theatrical lanterns, sound equipment, pyrotechnics equipment, special effects such as strobes, hazers and smoke machines

- Hiring of equipment such as radio mics and moving lights
- Construction methods required for the building of basic sets, and safe use of power tools
- Up to date Health & Safety legislation, including working at height, manual handling, COSHH, and electrical safety
- Knowledge of live audio production, and audio/video recording
