ABOUT KEW COLLEGE PREP

Our History

Kew College Prep was established in 1927 in a small room above a shop overlooking Kew Green. As it grew, it moved to a new premises in Mortlake Road, before moving again in 1939 to 26 Cumberland Road. It was then extended to 24 Cumberland Road, with a link extension joining the two properties. 30 Cumberland Road was obtained more recently, with the 3 properties making up the current school site.

The original site houses our Middle School and Nursery classes, an Octagon building at the rear housing our Infant classes, the Sedum building housing the Music Dept, Science Lab and ICT rooms and the recently redeveloped Upton building housing the Art room and our Upper School classes. The Sedum and Upton buildings are on a separate site one-minute walk away.

The school community celebrates its Principal in March each year on Founder's Day.

You can see more of the school site via our virtual tour on available on our website.

Ethos & Values

At Kew College Prep, we provide an open-door, cohesive community for children to grow as individuals. Academic attainment is not secured at the expense of the children's happiness or their interests in extra-curricular pursuits. Our school has the singular agenda to do the best by each child – from all angles.

We have systems, processes and operations in place to ensure that each child is provided with a tailored learning programme, helping them unlock their full potential. Our children feel listened to and valued, and they enjoy an education that meets their personal needs. They progress with confidence to a senior school that is aligned to their aspirations and capabilities.

More importantly, it's a happy, friendly and caring community where children, parents and staff are united by a shared set of values. Our academic record is outstanding, while our caring approach and supportive atmosphere help every child to grow in confidence and find their place in the world. Our staff work hard to ensure the potential of every pupil is fulfilled to a high level.

We were recently visited by the Independent Schools Inspectorate and were delighted with the report produced after their visit. The report highlights our high-quality curriculum, our approach to emotional support and our pastoral care. It also recognises the range of the extra events and trips provided here at school and the significant benefit they have on the children's overall development
