

KING'S COLLEGE SCHOOL WIMBLEDON

RECRUITMENT MANAGER

WELCOME TO KING'S COLLEGE SCHOOL

Thank you for your interest in joining our school community.

King's is one of the most successful schools in the world, and our community is a special place to teach, work and learn. Educating over 1,500 pupils, we currently welcome boys aged 7-18 and girls aged 16-18, and our pre-preparatory school, Wimbledon Common Prep School (WCPS), educates up to 180 pupils aged 4-7. We are excited to be gradually extending co-education throughout the King's Corporation of schools from 2027 at WCPS, from 2029 in the junior school, and from 2033 in the senior school.

Our pupils are curious, creative and eager to learn, and the dedication, expertise, and care of our staff lie at the foundation of everything we do. Located in a peaceful part of London, opposite 1,140 acres of countryside offered by Wimbledon and Putney Commons, within minutes of central London and just a short walk from Wimbledon Village and the home of lawn tennis, we are fortunate to enjoy a green and well-resourced campus.

Our school was founded in 1829 by Royal Charter as the junior department of the university, King's College London, and as such, intellectual aspiration and a progressive spirit are our heritage. Today, we offer

an education of the whole person, in Mind, Spirit and Heart, the enduring ethos of our foundation. Our guiding mission is to look outwards, to the world beyond school, and to life at 25: we look to the lives we are preparing our young people to lead, so that when the time comes, they are ready to forge the pathway they choose, and to make a purposeful impact in the world.

We aim for each of our pupils to enjoy an exhilarating adventure of learning and to pursue academic excellence within a fun, caring, welcoming environment. Academic outcomes at A level, IB and GCSE consistently place King's amongst the very top schools nationally and globally, with over half of A level and IB grades at A* or equivalent last summer, and we were delighted to be the highest placed independent co-educational day school and Independent International Baccalaureate School of the Year in The Sunday Times Parent Power 2025.

Supporting our pupils to grow strong in spirit, in the shared values and qualities of character that will ground them, is equally important at King's. Kindness, respect and support for one another, a broad-minded outlook and a commitment to ensuring that ours is a community where each individual feels that they can belong, are central to our ethos.

WELCOME TO KING'S COLLEGE SCHOOL

Likewise, we share a deep commitment to the co-curriculum, which enables our pupils to develop broad skills and resilience as well as to discover lifelong passions through clubs and societies, CCF, Duke of Edinburgh, sport, the arts, and community partnerships.

The next few years represent an exciting time for King's as we embark upon the next chapter of the school's development and prepare to enter our third century in 2029.

Over the coming decade, we are extending co-education throughout King's so that any young person will have the opportunity to flourish here. With the relocation of our junior school to a new world-class campus on The Downs, we plan to transform our main campus over the coming years, further enhancing our facilities to extend the opportunities on offer to our pupils and communities. Last year, we established a charitable foundation for bursaries with the ultimate aim of becoming need blind as a community, and as the world changes around us, we are constantly considering how we can best enable our pupils to create their futures. We hope you consider joining us for this adventure.

INCLUSION AT KING'S

King's aims to be a diverse and equitable environment where all staff and pupils feel they belong. The community aims to foster an ethos of social awareness and respect for difference, creating a welcoming and inclusive culture where every member of our community is valued and respected as their authentic self, regardless of difference. Establishing this sense of belonging and community is central to the ethos of King's and is outlined in the 'Inclusivity at King's' statement.

The school has developed a comprehensive equality, diversity and inclusion (EDI) programme that spans all areas of school life, including our wider school community. Our director of EDI oversees our work in this crucial area, working closely with our EDI mentors who support pupils around issues including sexuality, gender and race.

There are a wide range of thriving pupil advocacy and discussion groups who meet regularly, including our African Caribbean society, our East and South-East Asian society, our Pride group, our neurodiversity society, our interfaith discussion group and Her'd, our group for girls. Alongside this, the school holds regular talks and workshops on EDI topics to ensure that inclusivity remains a central part of the daily life at school and is at the heart of all that we do.

Further information about equality, diversity and inclusivity at King's is available on our website at <https://www.kcs.org.uk/equality-diversity-and-inclusivity-at-kings>

King's College School is fully committed to the principles of equality, diversity and inclusivity in its recruitment of teaching and support staff.

LIVING AND WORKING IN WIMBLEDON

Wimbledon is famous for its annual Grand Slam tennis tournament, but that is not the only thing that makes living and working in Wimbledon an attractive proposition.

The area is one of the safest parts of London and provides a wonderful mix of town and village life. The streets are bustling and lined with bars, restaurants and shops and the charming children's Polka Theatre is situated in the centre of Wimbledon. King's is located on the edge of Wimbledon Common, at the beginning of one of the largest areas of green, recreational space in the whole of London. The Common, which extends to Richmond Park, is home to a 19th century windmill and an Iron Age fort.

One of the best things about working in Wimbledon is its connectivity. Wimbledon station is located in zone 3, approximately 10 minutes from Clapham Junction and 20 minutes from London Waterloo. There are regular trains to numerous destinations, including Kingston, Epsom and Richmond. Wimbledon can also be reached by tube, via the District line, and by tram, which connects to places such as Croydon and Beckenham. King's is also in a convenient location for road users, with its proximity to the A3 providing an excellent link to the M25. There is a morning shuttle bus for staff which runs from Wimbledon Station to the school.

Although property prices are high in and around Wimbledon Village, there are affordable options a little further away. Many staff choose to live in Central and South Wimbledon or Raynes Park, which is a 15 minute walk from King's. Other nearby options include Motspur Park, Worcester Park, Clapham, Tooting and Earlsfield but plenty of colleagues prefer to commute from Surrey, where Esher, Epsom and Ashstead are popular choices.
