About the School

Marymount International School, London, is an independent, Catholic, day and boarding, IB school for girls ages 11–18. We welcome bright, curious and motivated students from many different cultures and backgrounds, and we are proud to be the first all-girls' school in the UK to offer the International Baccalaureate programme, positioning ourselves as a leading school that consistently achieves excellent results.

At Marymount students learn in a supportive and inclusive environment, where they are encouraged to grow with confidence – academically, personally and socially. Our seven-acre campus, just twelve miles from central London, offers a peaceful and inspiring place for both students and staff to learn, teach, and collaborate.

We value who our students are just as much as what they study. Whether exploring ideas in our STEAM Hub, debating in class, performing on stage, or learning a new language, our students are encouraged to develop curiosity, creativity, critical thinking and teamwork. With over 40 nationalities represented, Marymount is a diverse and internationally-minded community, where different perspectives are welcomed and celebrated.

As part of a global network of 21 RSHM schools, we benefit from shared projects, exchanges and festivals, which further daily life at Marymount.
