

Deputy Head of Junior School

Candidate Information Pack

Introduction

A very warm invitation to join us...

The Royal Grammar School in Newcastle is a remarkable school with a 500-year history of welcoming people from all backgrounds. From history's Vice Admiral Cuthbert Collingwood, to recent Nobel Prize molecular biologist Sir Gregory Winter, RGS has educated thousands of young people who have gone on to make an indelible mark on the world. It is an exciting place to learn that is forward thinking and inclusive. We aim to create a sense of belonging, foster a belief in each other, inspire a love for learning and encourage an ambition to succeed.

The RGS has a reputation for excellence across academic and co-curricular activities, and our students benefit from the wide range of opportunities they can enjoy. We are equally dedicated to our pastoral care as we believe that happy children learn best. We encourage our students to be intellectually curious, to think creatively and to challenge themselves in everything they undertake.

We believe that academic results should be the consequence, not the purpose, of an outstanding and well-rounded education. That said we are immensely proud of the academic achievements of our community which outstrip Independent and State schools in the region. It is testament to our students' commitment and teachers' dedication that we are ranked as one of the highest performing schools in the country and regularly recognised in national awards.

We hope to ensure that our young people leave school as kind, interesting, independent-minded individuals who are willing to take on responsibility and motivated to contribute to society. If you are committed to helping apply the latest thinking in teaching and learning to lay the strongest possible foundations for their future, then we would be delighted to hear from you.

RGS Newcastle

There's more to life at RGS...

Thomas Horsley, the original settlor of the Royal Grammar School Newcastle (RGS) pledged his legacy to the School in 1525. 500 years later, RGS continues to flourish as the premier independent school in the North East of England and as one of the country's leading schools. In 2023 RGS was named overall 'Independent School of the Year' in The Telegraph Group's national awards. RGS also consistently tops the region's academic league tables and RGS is consistently awarded the Sunday Times' North East's Top Independent Secondary School for Academic Performance. While we pride ourselves on academic excellence, we are as well known for our high level of pastoral support, involvement in a wide range of sports and other co-curricular activities, and our commitment to bursaries and partnerships.

Today RGS is fully co-educational with over 1,300 students aged 7-18 years (Years 3 to 13), including more than 250 students in the Junior School, which shares the same outstanding site as the Senior School. Our Sixth Form is one of the largest in the independent sector with more than 330 students.

The school is based in the heart of the City, immediately opposite Jesmond Metro station. We benefit from over 30 acres of land with state-of-the-art facilities, including five brand new art studios, a new library, a new Sixth Form Centre, a 25m swimming pool, two Sports Halls, a Performing Arts Centre, outdoor football/rugby pitches at Mooracres, an artificial turf pitch for hockey and the former County Cricket Ground.

RGS is a special place, known and respected throughout the whole country as well as the North East. It is a place where aspirations are high, results are outstanding, and opportunities are endless. Our students go on to study highly selective courses at the most sought-after universities in this country and internationally. Importantly, they leave the school realising that life outside the classroom has been equally beneficial.

Academically, the school is highly selective. Students are assessed for entry at the key entry points (Y3, Y5, Y7, Y9 and Sixth Form). The biggest entry points are Y3 (60 students), Y7 (c.75 students) and Y12 (c.45 students). Beyond the academic, in Junior School (Y3-6) entry is assessed through activity days whilst at Y7 students are assessed through online tests and an interaction day. Sixth Form entry is through admissions test and interview. Students sit baseline tests in Y7, Y10, and Y12 – the average GLA CAT score for both the current Y7 and Y12 is 117. We have students who have the assistance of our dedicated Learning Support Team, which works across Junior and Senior School.

Academic selection and excellent teaching mean that the school's results are exceptional. The published figures for 2026 are on the school's website. For A-Level, 34% of A-Level grades were at A*; 69% A* - A; and 90% A* - B. For GCSE, the proportion of grade 9s was 43.1%; 9 – 8 was 68.8%; and 9 – 7 was 85.6%. Our value-added performance analysis, provided by ALPS places us within the top 1% nationally for GCSEs and top 10% nationally for A Levels. The School has also been recognised by The Telegraph as one of the best independent schools in the North of England for value for money, ranking among only 18 schools nationally identified for delivering exceptional educational value.

Hello from Mr Miller

Head of Junior School...

Our Junior School is designed to represent joy. Joy in learning, joy in teaching, joy in hard work and joy in seeing the children make progress personally, academically and spiritually.

There are currently 276 children in our school, from Year 3 to Year 6, with class sizes of 20 (Y3 and 4) and 24 (Y5 and 6) and there is currently no transition exam to move along to Senior School. At our foundation are a set of Superpowers (Able, Strong, Calm and Kind) that influence everyday life from rewards and sanctions through to assemblies and lessons.

We enjoy challenging stereotypes and have the aim of making sure that all children leave us feeling like the whole world of opportunity remains available to them. We have a metaphorical drink called 'Toughen Up' which helps us to open up discussions about resilience and galvanizes students, parents and staff when faced with a tricky situation.

There is great pride in being part of our school community so if you are looking for a place to work that will value you as a person and a colleague, come and see us! We aim to develop you professionally so well that you could get any future job you want but treat you so well that you would never want to leave!

James Miller
Head of Junior School

Our Vision and Ethos

We believe in inspiring young people and equipping them to make a positive contribution to society.

The RGS aims to promote excellence and is committed to raising aspiration and attainment across the North East.

By inspiring and nurturing hearts and minds, we can give those around us the freedom to create and shape their own future.

A future that is built on our sense of history and belonging in the city but is fueled by an ambition to succeed and evolve.

A place where freedom of expression, ideas and beliefs can be shared, exchanged and grow openly in our happy environment.

An environment where we look out for each other and treat everyone with care and respect, within and beyond our community.

A spirit to challenge, inspire and stretch the minds of everyone here so we feel free to explore, free to think, free to try, free to dream of possibilities and free to be ourselves.

In the Junior School, the Superpowers are embedded in everything that we do:

- Able...
- Strong...
- Calm...
- Kind.

Academics at the RGS

The Junior School is academically selective with the biggest intakes at Year 3 (60 places) and Year 5 (12 places). We are very proud of the academic progress made by all our students, all the more remarkable given the amount of time spent out of the classroom getting stuck into enriching activities, fixtures and trips!

Students are taught by a range of teachers, rather than solely by their class teacher as is common to most primary schools. This allows exposure to the most specialist staff which helps to drive up standards and expectations. Excellent classroom practice is what all children deserve and it's what we strive for every day.

The Co-Curriculum at the RGS

The emphasis on a broad co-curricular programme throughout the school is based on the conviction that individuals thrive in an environment in which their abilities and talents are recognised and nurtured. The excellent sporting and performing arts facilities enable a rich and diverse array of co-curricular activities, with the emphasis being both on broad participation and high performance.

The scale of the RGS allows the provision of a wide range of opportunities, allowing pupils more scope to find activities they truly enjoy, learn life skills and develop confidence in themselves.

Pastoral Care at the RGS

We pride ourselves on what we call our Platinum Pastoral Care, which is our pledge to parents to go above and beyond when it comes to caring for their children. There is an expectation that staff treat children as if they are their own when it comes to the level of care, compassion and attention that they give to their wellbeing. We have a compassion centred approach to rewards and sanctions, both of which tie back into the Superpowers. Relationships are the thread that joins up our whole school and curating them is a key skill that we value.

RGS

The Role

Following the retirement of Dr Tony Spencer, we are seeking to appoint an exceptional and ambitious leader to the position of Deputy Head of Junior School. The current management structure consists of the Head, Deputy Head and two Assistant Heads.

We are looking for a visible, dynamic and forward-thinking leader with the ability to inspire pupils, support colleagues and contribute positively to the continued success and growth of the school.

Part of this role will involve acting as an ambassador for the Junior School and the wider RGS community.

The successful candidate will be confident and articulate when engaging with prospective families, leading tours, delivering presentations and building strong relationships with parents. They will communicate the school's vision, values and educational excellence with warmth, authenticity and enthusiasm.

Key qualities include:

- Outstanding classroom practitioner (all subject specialisms welcome) with significant Key Stage 2 experience.
- Exceptional leadership and management skills.
- Proven ability to develop and motivate staff.
- Excellent communication and interpersonal skills.
- Confidence representing the school to prospective parents and external stakeholders.
- Commitment to delivering an outstanding education.

- Excellent communication skills, both written and oral, with outstanding interpersonal skills to build strong relationships and enable effective dialogue with pupils, parents, staff, alumni and visitors.
- Organised and able to prioritise workload, balancing decisiveness and consultation appropriately with problem solving skills to manage competing priorities and the judgement to manage sensitive and complex situations with clarity and care.
- Reliable and stays calm under pressure to be able to offer stability and consistency to the school community.
- Self-reliant and self-motivated, being able to work independently and as part of a team while being adaptable and flexible with working patterns to meet the needs of the school community.
- Understanding of the role in the context of safeguarding children.

Living in the North East

Whilst the North East is beloved and popular with so many, we know that not everyone will have had first-hand experience of it, so this is a short introduction to a city and region which we love, and believe you will too. Newcastle is a medium-sized city with an historic centre and a vibrant life of its own. There's culture and arts in the form of the award-winning BALTIC Art Gallery and The Glasshouse, alongside several theatres that attract national touring productions. There's music from classical to club and we are home to the Royal Northern Sinfonia. There's also a growing food culture with some fantastic restaurants.

If you like sport then there's certainly no shortage of top-class entertainment: from Premier League football being played at St James' Park and EFL at the Stadium of Light to first class cricket at Durham (a mere half hour away), and great rugby at the Falcons, not to mention basketball and even ice hockey, and then there is the annual Great North Run. The North East has also produced some of the country's finest athletes in track and field and there are clubs aplenty to get involved with, most famously in Gateshead.

The coast and the hills are minutes away from the city centre. By car you can be in the middle of nowhere in 45 minutes, the Scottish Borders is only an hour away and the Lake District an hour and a half. The coast is served by the Metro (our version of the Tube), but some of the country's best beaches are up the road in Northumberland, less than 40 minutes by car. There's mountain biking, road cycling, climbing, and endless hill walks in stunning countryside. There are green spaces all over the city too, with plenty of parks for children and dogs alike to run around.

There are three local teaching hospitals, two universities in the city with another three close by. Some pioneering medical work goes on at the RVI, Great North Children's Hospital and the Freeman Hospital. History abounds with more castles than you could count and sites of interest for almost every period of English (and border) history. Add that to a proud, independently minded and very friendly local population and we have most things you could want. There are excellent primary schools in the region and city as well as some good secondary schools too, but staff do get a discount at the RGS. There are also a number of good competitor independent schools as well.

The RGS is on the edge of the city centre, a ten-minute walk from the main shopping areas. The leafy, affluent suburbs of Jesmond and Gosforth are close by with housing ranging from purpose-built flats in terraced streets and conversions of bigger houses to terraced houses, post-war semis and large, family-sized detached houses with big gardens. All of this is within walking distance of the school, so no commute is needed. Properties are very affordable both within the city and the surrounding area. If you want to travel to work then you could wake up with a sea view, hop on the Metro and be at school just half an hour later. The region wins tourism and lifestyle awards for very good reasons!

Equal Opportunities

We are looking to appoint staff from a wide variety of backgrounds. Not just because it is the right thing to do but because at the RGS we recognise that those different experiences provide fresh perspectives, opportunities to challenge existing beliefs and provide opportunities to act as excellent role models for our diverse student body. We are committed to creating an inclusive and diverse school culture and our staff are at the heart of this. We are proud to be an equal opportunities employer, and all qualified applicants will receive consideration for employment regardless of neurodivergence, age, disability, sex, gender reassignment, sexual orientation, pregnancy and maternity, race, religion or belief and marriage and civil partnerships.

Whilst all applications are considered on merit, we would particularly welcome applications from black and minority ethnic candidates who are currently under-represented in our staff community.

We encourage all candidates to complete an 'equal opportunities' form with your application. This will be sent directly to the HR team for monitoring purposes.

Safer Recruitment

RGS Newcastle Group of Schools is committed to the safeguarding of children and promoting the welfare of children and young people and expects all staff, volunteers and those working in school to share this commitment. The school applies the Government's Keeping Children Safe in Education Safer Recruitment procedures to all candidates including appropriate pre-interview checks on shortlisted candidates and pre-employment checks pending any offer.
