TO OUR REAL WORLD READY SCHOOL

St George's School Windsor Castle is an award-winning day and boarding school for children aged 3–13, offering extensive facilities in a truly iconic setting at the foot of Windsor Castle.

An IB World School, St George's prides itself on combining a pioneering, world-class International Baccalaureate curriculum, with exciting opportunities to collaborate across the globe through Round Square, and a school-wide approach which prioritises mental wellbeing, nurturing children to be kind, resilient, inquisitive, internationally minded and *Real World Ready*.

Alongside an exceptional reputation for musical excellence, including a 675-year history of educating the choristers of the world-famous St George's Chapel in Windsor Castle, the school offers diverse opportunities across sport, performing arts, design and technology, both via the taught curriculum as well as through an exciting co-curricular programme, offering more than 80 activities across the year, ranging from scuba diving to street dance, cookery and Eco Club.

In its most recent inspection by the Independent Schools Inspectorate in November 2025, St George's met all applicable standards, reinforcing the 'excellent' rating received under the previous inspection framework in 2022. The school was also shortlisted as Independent Prep School of the Year in both the 2024 Tes Schools Awards and the 2025 Independent Schools of the Year Awards. In 2023, St George's won a Hieda Award in recognition of its proactive approach to mental wellbeing for both students and the wider school community and in 2026, the school's Head of Safeguarding and Mental Health was awarded the prestigious Emma Pattison Award for Compassionate Leadership.

Having announced in April 2026 that St George's would join the St Albans Education Group and join forces with St George's Ascot to create a co-educational through school, now is an incredibly exciting time to join the school. In addition to greater opportunities for professional development, leadership growth and cross-school networking, this new partnership secures a strong and sustainable future for the school while staying true to all that already makes St George's so special.

We employ over ninety staff, all of whom contribute hugely to the success, warmth and happiness of the school and its students, and the school values of kindness, honesty and courage permeate every aspect of school life. If you would like to join us, read on. We very much look forward to receiving your application.
