Welcome from the Prep School Head

Liz Norris, Prep School Head

Thank you for your interest in St Swithun's Prep School and Nursery and Preschool.

We are a lively and forward-thinking prep school, proud to offer children a wide breadth of experiences within a nurturing and stimulating environment. We believe children learn best when they are engaged, curious and enjoying their learning and our curriculum is designed to provide rich opportunities for exploration.

We are now at an exciting stage in our development as we prepare to open our nursery and preschool provision for children from 9 months. We are seeking Nursery Practitioners at various stages of your careers to join us at this important time and play a key role in supporting the successful establishment of this provision.

This is an opportunity to contribute to a new and growing part of our school, helping to create a welcoming, organised and professional environment for both families and colleagues from the very beginning.

We hope this pack gives you a sense of what is important to us at St Swithun's. We would be delighted to receive your application and look forward to meeting you.

Welcome to our school

St Swithun's Prep School educates around 180 girls aged 4–11, alongside a co-educational pre-school from age 3.

The Prep School is housed in two purpose-built buildings, opened ten years ago. These provide an exceptional learning environment, with bright, modern classrooms and a wide range of specialist facilities. We have a fully equipped gymnasium and a versatile multi-purpose auditorium with retractable seating, supporting both sport and performance.

Our new Nursery and Preschool provision has been carefully integrated within these existing buildings, benefiting from the same high-quality environment, while also enjoying its own dedicated outdoor learning space designed specifically for younger children.

The Prep School sits within the wider St Swithun's School site, adjoining the Senior School—a leading GSA school for girls aged 11–18, offering day, weekly boarding and full boarding. Pupils benefit from access to shared facilities across the campus, including catering services and an outstanding swimming complex with both full-size and learner pools.

Set within 45 acres of beautiful grounds overlooking the Hampshire Downs and within the South Downs National Park, the school provides a truly inspiring setting. Despite its peaceful location, it is within walking distance of the centre of Winchester and just one hour from central London.

St Swithun's Nursery & Preschool

St Swithun's Nursery and Preschool offers a warm, inspiring and high-quality early years environment where young children are given the very best start to their educational journey. From their first days with us, we help each child take those important first steps with confidence and courage.

Caring for children from 9 months to 4 years, our setting provides a calm and happy foundation in which children feel safe, confident and ready to learn. Learning is shaped by play, exploration and discovery, with the natural world and outdoor experiences woven throughout everyday nursery life.

Our bespoke Explorers' Cabin offers a unique learning environment for nursery and preschool children, complementing the spacious Early Years rooms, adjoining courtyard and outdoor learning spaces. We are passionate about bringing the outdoors in and enabling children to learn through direct experiences of the world around them.

Rooted in the school's core values of Caritas, Humilitas and Sinceritas, our nursery and preschool place nurture and positive relationships at the heart of everything we do.

We believe that when children feel secure, known and valued, they thrive.

Nursery Practitioner

Nursery Practitioners at St Swithun's will be key to supporting our new nursery provision, creating an environment where children are encouraged to explore and develop a lifelong love of learning. Working as part of a dedicated team, practitioners will support children's learning and development in line with the Early Years Foundation Stage (EYFS), fostering confidence and independence through play and meaningful experiences.

We believe young children learn best when they are actively engaged with the world around them. Outdoor learning is an important part of nursery life, with opportunities to learn, explore and discover both inside and beyond the classroom.

We are seeking enthusiastic individuals at various stages of their early years careers to join us and develop their skills within a high-quality setting. Successful candidates will be passionate about working with children and building positive relationships with families.

We are currently focussed on recruiting qualified staff who can join us working all year round, or those interested in bank contracts – working hours on an ad hoc basis. We do not currently have any vacancies for term time only working.

Explanatory notes

Application Form

Applications will only be accepted from candidates completing the enclosed application form in full. CVs will not be accepted in substitution for completed application forms.

Candidates should be aware that all posts in the school involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post.

Accordingly this post is exempt from the Rehabilitation of Offenders Act 1974 and therefore all convictions, cautions and bind-overs, including those regarded as 'spent' must be declared.

The successful applicant will be required to complete a disclosure application form from the Disclosure and Barring Service.

In accordance with government guidelines, we will seek references on shortlisted candidates for teaching and some other posts, and approach previous employers for information to verify particular experience or qualifications before interview. In other cases, if this has not been done, any offer of a post will be conditional upon receipt of satisfactory references.

References should be from the applicant's current or most recent employer. If the current/most recent employer does/did not involve work with children, then the second reference should, if possible, be from the employer with whom the applicant most recently worked with children. Referees should not be a relative or someone known to the applicant solely as a friend.

If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so, the outcome of any enquiry or disciplinary procedure. If you are not currently working with children, but have done so in the past, that previous employer will be asked about those issues.

Where neither your current nor previous employment has involved working with children, your current employer will still be asked about your suitability to work with children, although they may, where appropriate, answer not applicable if your duties have not brought you into contact with children or young persons. The School will only accept references obtained directly from the referee and will not rely on references provided by the applicant or on open references or testimonials.

You should be aware that provision of false information is an offence and could result in the application being rejected or summary dismissal if the applicant has been selected, and possible referral to the police and/or DfES Children's Safeguarding Operation Unit.
