Welcome from the Head of The Abbey Junior School

The Abbey Junior School is a vibrant, nurturing community where girls are encouraged to be themselves, explore their passions and achieve extraordinary things every day.

From their very first steps with us in Little Knellies Nursery, our students benefit from exceptional teaching, excellent facilities, resources and a wide-ranging curriculum delivered by dedicated form teachers and specialists. Strong links with our Senior School create a seamless, stimulating learning journey that supports each girl's academic growth from the very beginning.

Our curriculum is rich, diverse, and designed to spark curiosity, creativity and a lifelong love of learning. Rooted in real-world experiences and hands-on discovery, it fosters confidence, independence and a deep sense of global awareness, preparing our girls to thrive in an ever-changing world.

Wellbeing is at the heart of all we do. We believe that children learn best when they feel happy, safe and valued. With small class sizes and a warm, inclusive atmosphere, each girl is known and supported as an individual. This personalised approach helps every child flourish academically, socially and emotionally.

Above all, we want our students to come to school each day with a sense of excitement.

We warmly invite you to come and visit and see for yourself what a special place The Abbey is.

Mrs Beccy Newton

Location, estates and facilities

The Abbey's town centre location places us at the heart of a thriving, busy and diverse community, whilst our extensive coach network helps us provide accessibility from locations across Oxfordshire and Berkshire for both Junior and Senior girls.

As one of the most vibrant towns in the UK, with a focus on technology and innovation industries, Reading offers wonderful opportunities, from the glories of the Chilterns and the Thames, and beautiful parks, to outstanding shopping and a constantly evolving cultural and restaurant scene.

Whilst we embrace the benefits of being a town centre school, with a solid urban vibe, we have excellent sporting facilities, with astros, tennis courts, netball courts, a large gymnasium, and an impressive fitness suite. These facilities are supplemented by partnerships with Reading University, Reading Rowing club at the Redgrave Pinsent rowing lake, and other excellent local facilities. We were delighted to host the national GSA event of Girls go Gold in September 2023.

Governors have made a substantial investment in the estate over the past few years.

Our Junior School has been extended and remodelled, with imaginative new spaces to enable girls to go way beyond a conventional curriculum, the recent refurbishment of Knell House provides a welcoming and age-appropriate setting for Little Knellies nursery. The buildings sit in the Christchurch Conservation area, five minutes up the hill from the Senior School. Our heated indoor pool, complete with diving boards, is in the heart of our Senior School building and all girls, including the very youngest, have timetabled swimming and other water activities.

All our classrooms are well equipped to support effective teaching and learning, including IT resources to support the school's one to one digital device policy.

We opened a new Sixth Form Centre in September 2023, providing dedicated spaces for eating, relaxing, and intensive individual and small group work. Our current Sixth Form of around 200 girls love the opportunities it provides for collaborative working alongside concentrated quiet study and learning.

The Sixth Form Centre development is part of an exciting strategic estate masterplan.
