

The Marist School is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment.

Title of Role: IT Technician

Reporting to: Technical Services Manager (TSM)

Purpose of Role: To support the Technical Services Manager in the day-to-day operations of the school and to work with them to implement the School's Digital Strategy.

Status of Role: Full Time, Permanent

Key Tasks and Accountabilities:

Network Infrastructure & Systems:

- Work with the TSM in the development, management and maintenance of the school's IT assets, both hardware and software, to ensure end users have access to their required tools for teaching, learning and administration
- Support on the IT Helpdesk ticketing system, resolving all tickets in within skill set
- Help to ensure E-safety through network security and web filtering systems
- Ensure the asset register is maintained
- Ensure that all software is licensed and supported sufficiently, and all unlicensed software is removed from devices

Network Continuity and Security:

- Assist the TSM in information security management, including internet filtering systems, firewalls and anti-virus software
- Assist the TSM in business continuity and disaster recovery preparedness
- Help to ensure that data back-ups are maintained and stored appropriately, proportionate to the data value and according to the Business Continuity Plan
- Support in communicating cybersecurity measures to staff and pupils as relevant

Feet on the ground. Reaching for the stars.

User Support:

- Liaise with staff to support the use of IT in all academic and support areas, including training
- Provide support to pupils upon request to enable their access to relevant IT resources

Audio Visual (AV)

- Set up media equipment and AV equipment, including speakers, monitors, cameras, stage lighting as required for school events
- Work with staff to provide event support at Open Days and Evenings, and school events and functions as required, which may take place during evenings and weekends
- Meet staff and, where appropriate, external suppliers to ensure the correct equipment is in place to enable a successful event
- Perform inventory management on equipment, wiring, and accessories and ensure these assets are logged in the school's Helpdesk software
- Support effective remote learning and quality virtual school events

IT Strategy & Planning:

- Work with the TSM and broader staff to help develop and implement the School's Digital Strategy
- Keep up to date with current developments and emerging technologies in education to enable the school and department to move forward

Other Duties:

- Project a positive "can do" departmental image
- Meet regularly with the TSM to brief on the operation of ICT services and to agree individual targets

Professional Development Requirements:

- Engage with the School's appraisal programme
- Be responsible for continuous professional development and participate fully in training and development opportunities identified by the school
- Be prepared to undertake regular training in Child Protection and Safeguarding and any other training required by the school

Ad Hoc Tasks

- Any other tasks as may be required by the Principal or Executive Team from time to time in support of the overall activities and smooth running of the School.
- Undertake any additional training considered appropriate for better performance of the role.

This job description is representative and not necessarily a comprehensive definition of the post. Other reasonable duties may be allocated from time to time commensurate with the general character of this post and its scale point.

Safeguarding and Child Protection

The responsibility of all staff in the School is to promote and safeguard the welfare of children and young persons for whom they are responsible, or with whom they come into contact by adhering to and ensuring compliance with the School's Child Protection and

Feet on the ground. Reaching for the stars.

Safeguarding Policy at all times. If, in the course of carrying out the duties of the post, staff become aware of any actual or potential risks to the safety or welfare of children in the School, they must report any concerns to the School's Designated Safeguard Lead (DSL) or to one of the Deputy DSLs. All Marist staff must have an enhanced DBS disclosure.

Policies

The School's policies and risk assessments, which are found in the central Policies & Risk Assessment Team, are reviewed at least annually and all staff should be familiar with the policies and risk assessments which apply to them and their role.

Health and Safety

In accordance with the provisions of the Health and Safety at Work Act 1974 the School takes its duty to the health and safety of all staff very seriously. It is also the responsibility of all staff to take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts or omissions at work.

Appraisal

Staff are part of the school's appraisal scheme and will have agreed objectives for each year of service. Their Line Manager will monitor and review performance.

Professional Development

The School actively supports the continuing professional development of all staff. Staff should also support their own continuous professional development including participating in training and development opportunities identified by the School.

Data Protection

The Marist School processes information about its current, past or prospective staff, applicants, current, past and prospective pupils; and their parents, carers or guardians and others who are defined as data subjects under UK Data Protection law.

Anyone who works for, or acts on behalf of, the school (including staff, volunteers, governors and service providers) should also comply with the school's Data Protection Policy, which also provides information about how personal data about those individuals will be used.

The School takes the protection of all personal information extremely seriously and is committed to a policy of protecting the rights and freedoms of individuals with respect to the processing of their personal information.

Review and Amendment

This job description will be reviewed regularly and may be subject to modification and amendment from time to time, and the post holder may be required to undertake additional duties, as required, by the Principal.
